3. Chairman's Overview: The cost of mailing is cost prohibitive so I am recommending the following correspondence protocols:

1st: Utilize the existing Web Site and the Face book page as the primary.

2nd: Utilize the email addresses as the next form of communication. Each Decade would be responsible for the emails.

3rd: The last form of communication would be the less cost effective, that being mailing.

As of this writing the Face Book page has 163 going, 171 Maybe's and 789 Invited. The Web Page since its inception has had good results and we currently have the 50's Decade, 60's Decade and the 70's & 80's Decade fliers posted at the Web Site. Any mailings that would go out would be subsequent to April 1, 2017, discussion on this proposal is welcome. Let's remember that currently we do not have the finances to do a complete mailing.

A meeting was held on February 1, 2017; those attending this meeting were the Officers of JRRAAF's, Booster Club, The Alumni Association and the All School Reunion Association. This meeting was to discuss the Alumni
