Dear Rogers Alumni and Friends:

It's a simple, but deeply profound concept that in many ways drives our work here at JRRAFF. Every student that is helped, every family that is assisted, and everything that is done for Rogers is truly appreciated. And, our gifts from Alumni and friends to JRRAFF make this all possible.

One of the best things about being a student is finding delight and support through participating in athletics and activities. Your gift will assist Rogers' students and help them have these valuable experiences.

I have some very exciting news about Rogers Athletics and Activities this academic year and how we are assisting to make these possible! JRRAFF's gift this year is \$18,370 and will be given to Aaron Brecek, Activity Director, for dispersal. And, we have highlighted a few Rogers' accomplishments on the back of this letter for you. They are amazing!

We cannot continue without your financial assistance. Please take a moment to help us realize the "Ambitions, Hopes and Dreams" of Rogers students. You will be glad you did! We are!

To learn more about what JRRAFF is doing, or to make your contribution online, log on to our website: [www.rogersfoundation.org](http://www.rogersfoundation.org).

With appreciation,

Doug Bender, '64  
JRRAFF President

**PS** We want to remind those of you who haven't purchased a brick for the Wall of Remembrance, they are still available for a \$60 donation and the Wall is amazing. Join your friends!

## **SPRING 2019 ALLOCATIONS**

---

The foundation provides financial assistance to Rogers' High School students so they can participate in programs and activities the school and/or District 81 is not able to support due to budget limitations, or the students and their parents cannot afford because of their own financial challenges. The need is greater than ever and we want Rogers' students to have the same opportunities as students from other schools.
